Taking Photos – Live Releases & Keepers

Fill out front of this card with Sharpie Permanent Marker.

Lay fish out flat and place card next to fish.

Take photo from directly overhead looking straight down on side of fish.

Whole fish and card must be in view – Use new card for each fish.

Saving Fish Heads (Keepers Only)

Remove head from fish carcass – Place head in plastic bag.

Add same card used in photo – Seal and store bag in freezer.

See SNAP-A-STRIPER FACT SHEET or go to <http://cca-maine.org/> or www.gmri.org/tagging for instructions on submitting photos and heads.
